

THE GAME CHANGER

This crisp, filtered, and delicious Premium Lager will make you feel like a real MVP. This easy drinking lager is cool fermented at temperatures between 0 and 5 degrees Celsius for up to 3 weeks. We chose to filter our beer to remove all traces of extra yeast, tannins, and some larger proteins to create a smooth beer. We also pasteurize our beer to ensure there are no microorganisms and it ensures a stable shelf life and a consistent amazing taste!

MVP's Kickback Program was developed to donate 5% off all sales to local sports organizations to help make sports more affordable and better equipped.
