BULWARK BLENDS

ORIGINAL

Bulwark signature apple cider is made with five apple varieties of apples, picked when in prime condition, to give perfect balance: apple blossom aromas, light, fruity flavours, and crisp finish with subtle, sweet undertones. 5.8% alc/vol., 500ml bottle & 20L keg.

BLUSH

Bulwark Blush is a blend of our signature apple cider with wild berries. This luscious concoction has a bright wild berry aroma that superbly complements the apple blend, resulting in a gorgeously hued cider. Juicy, smooth, and highly refreshing—Bulwark Blush is a sure hit on hot summer days and can be enjoyed on any occasion. 5.8% alc/vol., 500ml bottle & 20L keg.
